Himanshu’s Biggest Dream of Life Came True

I, Himanshu Gaurav Singh, joined FIITJEE in 2016-17 for Three Year Classroom Program.

What encouraged me to join FIITJEE was its amazing regularity of producing excellent results as well as the feedback which I got from my friends and seniors about its relaxed yet effective approach towards preparing students for JEE.

Today, I am proud to say that I made the best decision of my life by joining FIITJEE. “Zero Stress! Top Success! What else could I ask for?”

FIITJEE’s teaching methodology, curriculum, uncomplicated academic environment and top-class study material are aimed to create Excellence. This is how I secured AIR 2 in JEE Advanced and achieved other milestones as well.

FIITJEE is the only institute that can mould students into real achievers. FIITJEE helped me live my dream... Now it’s your turn. I am indebted to FIITJEE for its role in my success.

I, Archit Bubna, joined FIITJEE South Delhi in class 6 in the Little Genie Classroom Program and since then my journey has been nothing short of exciting, empowering and fulfilling. In these seven years I got the BEST of everything. The best faculty, best study material, best classroom environment, best test series and the best guidance.

This period of seven years was a period of transition as my understanding of the concepts and my ability to think out of the box while solving problems underwent a significant improvement. The teachers were extremely knowledgeable, dedicated and supported me throughout the journey, clearing all my doubts and addressing my weaknesses.

Regular quizzes, phase tests, RITS, monthly tests helped me to assess where I stood amongst others. All this has enabled me to achieve AIR 3 in JEE Advanced.

"These seven years with FIITJEE have set me on a path to life long excellence."

To any one aspiring for a great rank in JEE Advanced, I would recommend FIITJEE only! Thank you FIITJEE!!

Shabnam Sahay

Intensive Contact Program
at FIITJEE Vadodara Centre

I came to know about FITJEE through my seniors. They told me that AITS is very helpful in learning to give the exam in CBSE mode under exam conditions, as well as polishing off any rough edges in my preparation. This encouraged me to join the program. I had first joined AITS and later enrolled in ICP classes. Studying with other top rankers from my city in ICP motivated me to pick up my pace and push myself harder. The teachers were adept at explaining new concepts which helped cover some of my weak topics. Thus ICP classes increased my ability to tackle more conceptual questions. Being able to practice giving the exam in CBSE mode in AITS developed my confidence to be able to face the final paper. The prompt uploading of the test papers on the website was very helpful in enabling me to analyze my performance soon after the paper. AITS also exposed me to a diverse set of questions, gave me practice of writing tougher papers, and helped me get an idea of my standing at a national level. My advice to juniors would be that whoever or however you are preparing, it is your hard work and belief in yourself which will make the difference. These two qualities, along with my overall experience at FITJEE, made me more confident and prepared to face the challenge of the paper.

Manan’s Biggest Dream of Life Came True

Hi, I am Manan Agarwal. I joined FIITJEE at the end of 10th class for NTSE stage -2 preparation. Later, I enrolled for the Two Year Program at FIITJEE Punjab Bagh.

The faculty of FIITJEE is the best part about it who constantly take quizzes, give CCP’s and home assignments. Doubt classes were also regular. Many test series were conducted, like Aits and AIT-TI which helped me analyze my performance nationally.

The materials provided by FIITJEE like GMP, RTPF, RSM, etc. are excellent, and ideal for JEE preparation.

With FIITJEE, I cleared many exams like NTSE, KVpy, NSEEE, NSEP and NSEA. Also, I cleared IMPhO. I got 95% marks in CBSE boards and got 394th rank in JEE Mains.

I thank FIITJEE Punjab Bagh for all my achievements.

He Studied in FIITJEE's

This revolutionary Program provides simultaneous preparation for JEE Advanced + JEE Main + XII Boards + Other Engineering Entrance Exams + Various International Olympiads & National Level scholastic Exams, all within the school schedule. This program also ensures that Students don't have to compromise on sports & other extra-curricular activities while preparing for Exams.

Know from the TOPPER himself!

I am E. Shreepranav Varma from FIITJEE Hyderabad. I first heard of FIITJEE from my cousin who highly recommended it for IITJEE coaching. So, I joined the 2-Year Assent Programme in 9th which gave me a strong foundation in concepts during my 9th and 10th grades.

As I was very impressed with FIITJEE, I upgraded to the Pinnacle Two Year Integrated Programme where I did full time coaching during 11th and 12th. Aside from the top notch experienced faculty and amazingly structured coursework, FIITJEE provides a great competitive environment. There are 2 weekly exams conducted to make sure students can keep track of their progression regularly. Also, the Computer Based Test provide excellent exposure to students in order to tackle online exams.

Apart from just JEE, FIITJEE also provides training for other exams like KVPY and Olympiads. Due to frequent mock tests and mock interviews, I secured an All India Rank of 24 in the KVPY SA stream. FIITJEE's training also enabled me to clear stage 2 of the Physics, Chemistry, Math, and Astronomy national Olympiads and I was invited to Orientation camps in all 4 of them, among which I chose Mathematics.

Finally, all the AITS part tests and full tests equipped me to face JEE Main and Advanced confidently. I scored a percentile of 93.99847% and a rank of 53 in JEE Main 2019.

I would wholeheartedly suggest FIITJEE to any aspiring students do have a feared and stress-free JEE coaching experience.

Thank you, FIITJEE!

Gurnoor’s Biggest Dream of Life Came True

Know from the TOPPER himself!

I am Gurnoor Singh, a student of FIITJEE, Amritsar. I joined in Class IX in four-year classroom program. The classroom environment was very engaging as well as competitive which made me to work hard. Teachers also were extremely well-versed in concepts and focused on all topics equally. At the end of each chapter, they exposed us to almost all variety of questions asked in JEE. Weekly tests, CTFs, regular doubt sessions, revision sessions helped me to reach my maximum potential. These tests, AITS, HITS helped me to judge myself at national level. Analyzing CTFs, FTIF were the ultimate source of high standard questions which helped me sharpen my skills.

For online practice of JEE Main and Advanced, MyPrep tests were really helpful. CBT mock of AITS helped me to check my fear of the online examination.

Thus, I owe my success to my parents and teachers at FIITJEE Amritsar who motivated me at every turn.

I'm Pradipta Parag Bora, a student of Intensive Contact program at FIITJEE South Kolkata. I've cleared KVPY SA, INPhO, INChO, RMO with good results and am expecting a good rank in JEE Advanced. I scored 99.916 percentile in JEE Main January attempt. Intensive Contact program helped a lot in clearing the doubts that I had accumulated during my JEE journey. Teachers viewed all topics and gave me challenging questions that helped to enhance my grip on the subject. FIITJEE's ACTS and GHP packages helped in revising topics and provided more practice CBT exams helped a lot in adapting to the current CBT based exam pattern.

I would like to thank FIITJEE's ACTS, GHP, IRSM and Intensive Contact programs. In the end, I would like to advise my juniors to opt for someone but to build your own path.

In Class XI/ XII, I qualified KVPY through FIITJEE support system. FIITJEE’s national level tests and local level weekly tests provided a good platform to judge my preparation. Personal support at FIITJEE helped me develop concept clarity and achieve my desired goal.

The thought provoking and innovative questions in NTSE, AIPMT, MONTHLY TESTS helped me build problem solving ability and provided me an opportunity to get acquainted with tough questions that boosted my preparation.

I thank FIITJEE staff and parents for my achievements.

Shubhan’s Biggest Dream of Life Came True

Know from the TOPPER himself!

My name is Shubhan Srivastava. I joined the Two Year Classroom Programme at FIITJEE Dwarka when I was in Class XI. I’ve cleared JEE Main 2019 examination with a perfect score of 360/360 and 100%ile and thus secured Rank 1.

Before joining FIITJEE Dwarka, I was not very serious about my studies. After joining FIITJEE however, I realized the importance of being regular in studies. The teachers at FIITJEE Dwarka are highly qualified and they taught us the concepts really well. They were always available to clear our doubts at any point of time. After a chapter was completed, we were given questions of a good level to solve. It helped recapitulate the concepts that were taught in the class.

FIITJEE Dwarka conducted weekly tests of both mains and advanced pattern. After the tests, a discussion used to be held and we would work on our weaknesses. FIITJEE immediately switched to CBT mode after the news that JEE would be held online. These tests gave me a real-time experience of JEE and enhanced my confidence to give JEE main without anxiety.

My deepest gratitude to FIITJEE Dwarka, its faculties and staff for their constant motivation and efforts transforming me into a student who is capable of clearing JEE with a good rank.

Hi! I am Arpit Maheshwari. I joined FIITJEE’s 4 year Classroom program in class IX in 2015. Joining FIITJEE early in class IX helped me a lot to prepare myself mentally. I cleared NSEJS and NTSE in class X, KVPY in class XI and NSEC and NSEA in class XII. I have achieved 99.955 percentile in JEE MAIN 2019. FIITJEE’s up to date material and regular doubt clearing sessions helped me improve my concepts. Our course was started early which gave me enough time to cope up with tough concepts. All India Test Series (AITS) in CBT mode also helped a lot. During the course of preparation there are some difficulties which many of us face. During such time one must not lose patience and maintain the temperament. Efficient time management and regular self study are the key to success. One must look for a study centre near their home so that they can save their time.

My message to the future aspirants is that they should practice regularly and remain consistent. They should also give enough time to their self study.

THANK YOU FIITJEE!!

Arpit Maheshwari
I am G. Karthik Balaji, a student at FIITJEE’s 2-year Classroom Program. My friends’ glowing recommendations about the institution, combined with my own interest in science, made me join FIITJEE in class XI.

Initially, I wasn’t serious about the concept of entrance examinations, and only used to explore topics I was interested in. However, this careless attitude cost me in the KVPY SA exam, in which I missed the cut-off by 0.5 marks. This setback ignited a fire in me to supplement my education with hard work and practice.

Central to my renaissance was the support and teaching methodologies of the faculty at FIITJEE. The study material provided by FIITJEE complemented what we learned in class, and provided exposure to various kinds of problems. Keeping up with what was taught in class, and avoiding accumulation of backlogs, was essential to maintaining a stress-free mindset. Under the guidance of my teachers, I was able to secure AIR 584 in the KVPY SA stream, which was a great morale-booster.

Even the course of the 2 years, the regular phase tests conducted kept us in regular touch with the subject material. Towards the end, these gave way to the AITS exam series. The advanced level of problems in the AITS kept us on our toes, and encouraged us to think clearly. AITS, combined with the OMP and REET papers, placed great emphasis on the fundamentals, and strengthened our conceptual base.

This intensive revision schedule helped me achieve an All India Rank of 407 in the JEE Main 2019. I also stood as the state topper in the CBSE Board examinations, with a mark of 497/500. FIITJEE played a vital part in my journey & mine.

INTERNATIONAL OLYMPIADS 2016-17

FIITJEE’s spirit of Excellence touches every competitive / scholastic Exam and our Students exceptional performance in International Olympiads over the years is no exception.

I, Ananye Agarwal, joined FIITJEE South Delhi in my class X Four Year Classroom Programme and no other classroom programme in any other coaching institute.

I found the class environment to be very engaging and interactive. The teachers were extremely well versed in the subjects and explained each topic in detail. They also exposed us to a variety of questions on each topic.

FIITJEE has a very rigorous testing system consisting of AITS, AFTs, Phase Test and a variety of quizzes. These helped me to identify my rank at the national level and evaluate my performance accordingly.

FIITJEE South Delhi has played an important role in my success.

Ananye

I, Debaditya Pramanik, am a student of FIITJEE 4 Year Classroom Programme for JEE Advanced 2017 at Kolkata South Centre.

FIITJEE has helped me in my preparation for JEE Mains – 2017. The classes helped in strengthening my foundation in all three subjects. The teachers at FIITJEE cleared my doubts so that my understanding of basic concepts was perfect.

The regular quizzes and Phase Tests helped me in checking my understanding of all topics and realising my potential. The All India Test series (AITS) gave me an idea of my expected performance in JEE Mains.

I am thankful to FIITJEE for the assistance that they provided in preparing me for JEE Mains.

FIITJEE Students had won plaudits for the country by winning
4 Gold, 2 Silver & 1 Bronze Medals in International Olympiads 2016-17.

I det to kow about FIITJEE from my teacher. Also some of my friends were
students of FIITJEE Durgapur and recommended it. I
joined in FIITJEE in 2011 when I read in class XI.

There has been a drastic enhancement in my confidence
level and my attitude has changed. I see failure and
success as sides of the same coin because failure is the
stepping stone to success.

FIITJEE has opened a new horizon to my studies,
has helped me perform better and bette, helped
me to stay focused, gave me their best efforts
to bring out the best in me.

Irin Ghosh

The teachers at FIITJEE are
very knowledgeable and explained all
topics in complete details. The doubt-
sharing sessions further increased my
speed and confidence.

I owe my success to my parents and
FIITJEE only.

FIITJEE Students had won plaudits for the country by winning 4 Gold, 2 Silver & 1 Bronze Medals in International Olympiads 2016-17.

When I joined FIITJEE, people assumed I already went through 2 years of preparation. I had to cope up. I struggled initially, but I worked out a plan to manage school and JEE preparation. I went through about it. The study plan of FIITJEE made sure, I worked systematically. The test series and exam plans covered comprehensively. Especially the shop tests which were held once a week, covered up all possible topics and questions from a given chapter.

Pranav Ramakrishnan

IITJEE provided several methods to prepare me for JEE, KVPY and Olympiads. The environment encouraged healthy competition and allowed us to hone our talents. The faculty is excellent and friendly. The study packages, assignments and Chapter Practice problems were extremely thorough and informative. Regular quizzes and class tests kept me prepared. The AIITS and AIOTS exam series helped me judge myself at a national level.

Saswata Banerjee

The overall environment of FIITJEE was conducive for my JEE preparation. Where my weekly, monthly, All India Test Series that were conducted that tested my progress in every possible way. The questions in my All India Test Series were really uplifting.

Shubham Saha

All these led to refining of my concepts and helped me achieve my final goal.
